

Luma Safety & Installation Guide

For LumaLeaf and LumaBox Grow Light Products

- Important Safety Information

- Indoor Use Only: This product is intended for use in dry, indoor environments only.
- Not a Toy: Keep out of reach of children and pets. Contains small parts and electrical components.
- Avoid Eye Exposure: Do not look directly into LED lights when illuminated.
- Electrical Use: Use only with the included low-voltage power supply. Do not attempt to modify or hardwire this product.
- Heat Consideration: Allow for ventilation around lights. Do not place flammable materials close to lighting elements.
- UV/IR Disclaimer: This product does not emit ultraviolet or infrared light.
- Prop 65 (California Only): This product may contain materials known to the State of California to cause cancer, birth defects, or other reproductive harm.

- About the Grow Lights

- This product includes low-voltage LED grow lights, optimized for indoor plant support.
- Color Spectrum: White or full-spectrum lighting designed to assist foliage and small houseplants.
- Not intended for agricultural, commercial greenhouse, or medicinal plant use.

- Installation Notes

- Stud-Mounted Recommended: For best results, install into wall studs using the included anchors and screws.
- Tools Needed: Power drill, level, stud finder, and screwdriver.
- Cord Access: Cord exits rear panel and may be routed from either side.
- Timer Use Encouraged: Grow light does not include a built-in timer; external timer recommended.
- Weight Capacity: Up to 50 lbs per 12" of shelf when properly mounted. Do not overload.

- Included in the Box

- Assembled shelf/light unit
- Mounting bracket
- Screws and anchors for drywall and concrete
- Instruction guide
- Power adapter with standard U.S. plug
